MANUFACTURED STONE MEMBERSHIP APPLICATION FORM 2019

Information and Instructions for MSV Member Applications

Manufactured Stone Veneer Product Definition - concrete products manufactured using concrete and wet cast production methods and intended to simulate natural stone and other masonry materials. These products are architectural, nonloadbearing products intended for use as masonry veneer adhered using mortar to the structural backup.

MSV Producer Membership – this membership category is open to any firm, partnership or corporation headquartered in the U.S. or Canada that manufactures manufactured stone veneer products.

MSV Producer Membership Dues Formulation - dues are calculated based on a company's annual sales of manufactured stone veneer products within the U.S. and Canada using the table below:

MSV Producer Membership Dues Rates 2019	
Annual Reported Sales	Annual Membership Dues
Up to \$2.5 million	\$2,600
\$2.5 to up to \$5 million	\$5,200
\$5 to up to \$10 million	\$10,400
\$10 to up to \$25 million	\$20,800
\$25 to up to \$50 million	\$31,200
\$50 million and more	\$41,609

MSV Associate Membership – this membership category is open to any firm, partnership or corporation that supplies products or services to the industry who are interested in the welfare of the MSV products industry and the manufacture of MSV products.

MSV Associate Membership Dues Formulation - dues are calculated based on a company's annual sales of their products and services to the MSV products industry in the U.S. and Canada using the table below:

MSV Associate Membership Dues Rates 2019	
Annual Reported Sales	Annual Membership Dues
Up to \$5 million	\$2,600
\$5 million and more	\$5,200

Voluntary Contributions – this application provides the opportunity to allocate additional funds on a voluntary basis to certain NCMA programs.

- **Government Affairs Contribution** – this contribution is applied directly to government affairs advocacy efforts, including lobbying, interaction with elected representatives, and working with regulatory agencies. A recommended contribution is 3% of the calculated Dues.
- **Codes and Standards Contribution** – this contribution is applied directly to codes and standards advocacy efforts, including influencing model building codes, developing and maintaining reference standards, and identifying and responding to threats in various code/standard development forums. A recommended contribution is 5% of the calculated Dues.
