In order to complete the Plant Certification application process, please include the letter from your independent, third party, certified auditor with this application. The auditor's letter must include:

1. Statement from auditor that the quality control plan for this plant location complies with the minimum requirements of the NCMA/ICPI Plant Certification Program Version 1.01.
2. Statement from the auditor that the quality control activities of the plant are compliant with the quality control plan outlined.
3. Statement from auditor documenting their credentials and that those credentials are consistent with the requirements of the NCMA Plant Certification Program Version 1.01.

At the time of application, the non-refundable application fee must also be submitted:

- \$250 for NCMA and ICPI members
- \$2,500 for Non-members

The following is acknowledged related to the NCMA/ICPI Plant Certification Program:

- **NCMA and ICPI have not seen nor evaluated the quality control plan for this plant location.**
- **The decision on certification is based solely on the information provided to NCMA and ICPI by the certified auditor.**
- **This certification is not applicable to, and is not an endorsement of, any product produced at this plant location. This certification is solely limited to the quality control process of the plant location.**

By signing below, the above Company shall fully indemnify, hold harmless and defend (collectively "indemnify" and "indemnification") the National Concrete Masonry Association, the Interlocking Concrete Pavement Institute and their members, directors, officers, and employees (collectively, "Indemnified Parties") from and against all claims, demands, actions, suits, damages, liabilities, losses, settlements, judgments, costs and expenses (including but not limited to reasonable attorney's fees and costs), whether or not involving a third party claim, which arise out of or relate to the Company's use, reference, or application of the NCMA/ICPI Plant Quality Control Certification Program.
