

ENTER THE SAFETY AWARDS PROGRAM

This annual program recognizes safety-conscious Producer, Associate and Contractor members, as evidenced by exemplary safety records.

AWARD CATEGORIES

MILESTONE AWARD

Facilities with more than five consecutive years of Safety Award Program entries with zero OSHA/Canadian injury report injuries.

(Producers/Associates Only)

PLATINUM SAFETY AWARD*

Highest level of safety achievement in a single year is given to member facilities/locations with an Incidence Rate (IR) of zero.

GOLD AWARD*

Given to member facilities/locations with a Days Away, Restrictions, and Transfer Rate (DART) no greater than one and an IR no greater than two. Facilities/locations with a death during the reporting period are not eligible.

SILVER AWARD*

Given to member facilities/locations with a DART greater than one but not greater than two and an IR no greater than three. Facilities/locations with a death during the reporting period are not eligible.

* Please note, Platinum, Gold and Silver awards are given based on two formulas, one for Incident Rate (IR) and Days Away for Restrictions and Transfer Rate (DART):

$$IR = \frac{(\text{Number of Recordable Injuries}) \cdot 40,000}{(\text{Total Number of Hours Worked})}$$

$$DART = \frac{(\text{Total Number of DART Incidents}) \cdot 40,000}{(\text{Total Number of Hours Worked})}$$
